

Meeting of European Friedreich's ataxia clinical network

Friday 5th June 2009, nH Jolly Ligure Hotel, Turin, Italy
12.30 pm - 7.30 pm

Organised by

gofar

Comitato RUIDI ONLUS

With the contribution of

The goal of the meeting is to present the European FRDA clinical network and discuss perspectives for trials with Dr. David Jacoby, medical director of Repligen Corporation.

The meeting will also focus on general guidance as to Repligen clinical HDACi development plans and how Repligen can engage with European based centres for FA clinical research.
